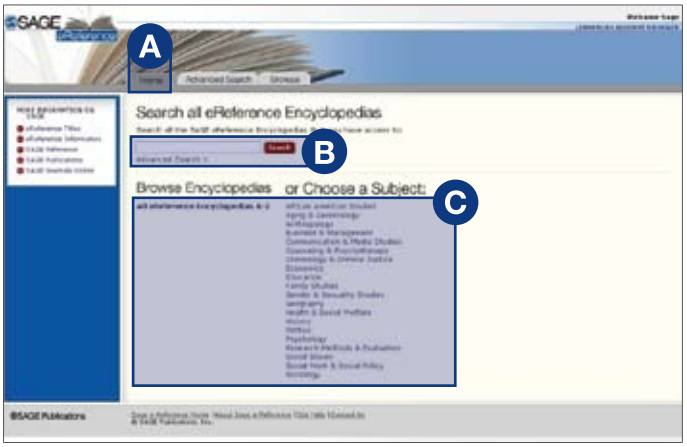
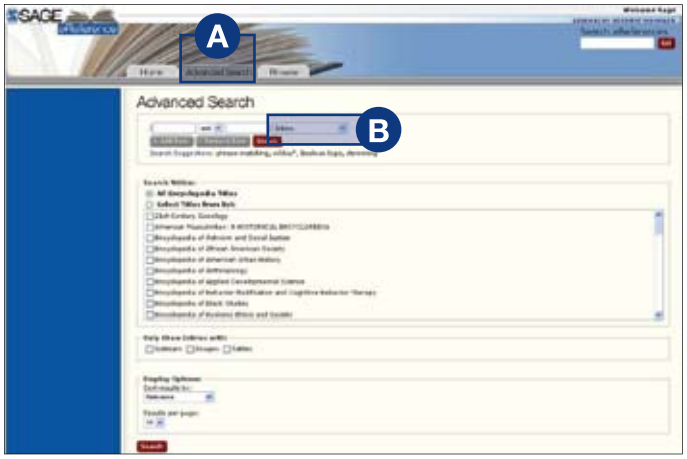
- **B** **Quick Search** provides a simple any-word search across all purchased Encyclopedias
- **C** Browse to find Encyclopedias by subject matter or through **A-Z listing**



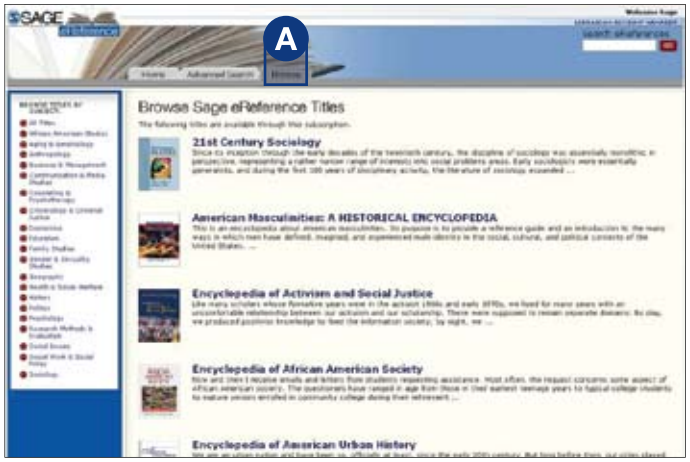
"Advanced Search"

- **A** Ability to search using Fielded Boolean Search tool against any or all titles
- **B** The pull-down field labeled 'Entries' shows available fields to limit a search



Click on "Browse" to display an A-Z listing of titles

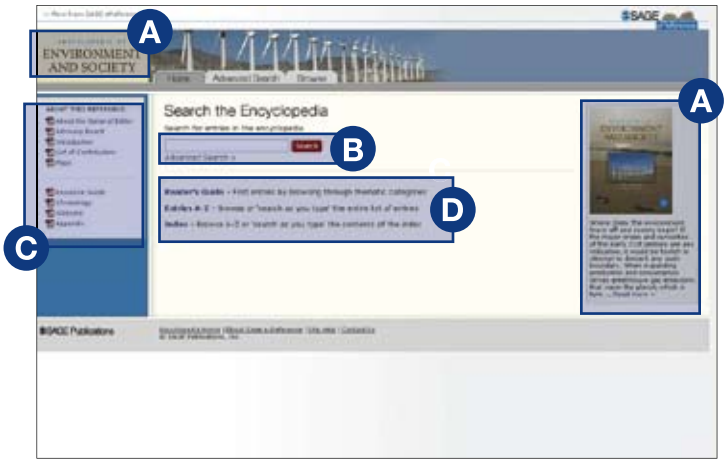
- **A** Scroll through the list of titles and click on a title of interest to enter the book site



A
Browse Sage eReference Titles
21st Century Sociology
American Masculinities: A HISTORICAL ENCYCLOPEDIA
Encyclopedia of Activism and Social Justice
Encyclopedia of African American Society
Encyclopedia of American Urban History

Book search

Features of a Book Home Page



- **A** Displays each Encyclopedia in an **identifiable design** (consistently throughout the encyclopedia to let the user know they're still in the same title)
- **B** Enables a quick search inside the text by keyword
- **C** **Front and Back Matter in PDFs** is available on the left side of the page (front and back matter is also searchable through the advance search tab)
- **D** Three options for browsing the book:
  1. Reader's Guide
  2. A-Z Entries
  3. Index

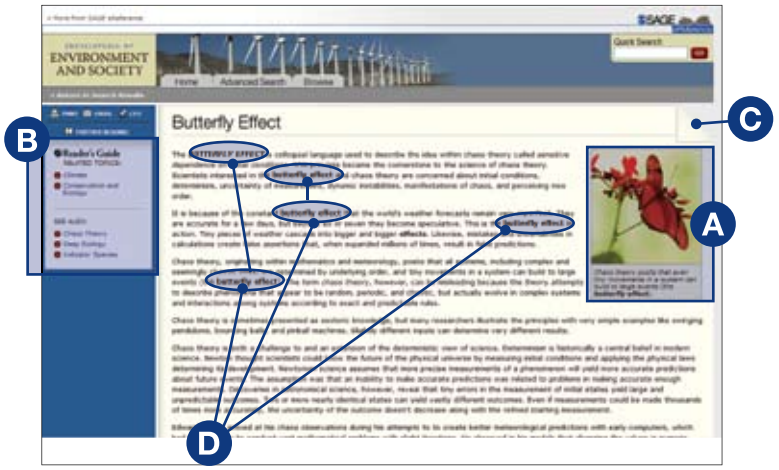
Reader's Guide

The Reader's Guide is a feature of all print SAGE Encyclopedias and splits the reference work into all key and major topics.

- **A** Topical Groupings of Entries
- **B** Topics are further refined into subtopics in a pop-up entry list on the right

Inside an Entry

An entry listing provides full text html view of the entry with pleasant and readable formatting



- **A** Pictures and figures are fully supported
- **B** The Reader's Guide provides cross-references
- **C** The **Folded page corner** feature gives the online version the feel of browsing the book
- **D** The user's original keyword search, in this case "Butterfly Effect", from the home page of the encyclopedia will be highlight throughout the entry.

Further Reading

A All **bibliographic entries** are available

Open URL resolution “0.1” supported

Citations

Users can copy and paste these as needed

B Helpful navigation in greybar

C Users can produce a printer friendly version on an entry (automatically defaults to the printer friendly vesion to save paper)

D **Email an entry** to yourself or a friend for 14 days of access outside the authentication boundaries
